

KEES

CERTIFICATE of COMPLIANCE

KEES certifies that this gage has been inspected by comparison with master standards calibrated on a regular basis to standards traceable to NIST (formerly National Bureau of Standards) and is the diameter as marked with a manufacturing tolerance as indicated.

KEES and its distributors offer warranties expressed or implied and their responsibilities due to any defects or inaccuracies shall in no event or for any cause whatsoever exceed the purchase price of the pertinent gage.
100 Percent Manufactured in USA.
